

2016-2017 Membership

2016-2017 is going to be a very special year--celebrating Leadership Lufkin's 35th year and Leadership Tomorrow's 25th year. The Alumni Association continues to assist both leadership programs with producing quality leaders for our community. In 2014, the Association provided leadership training books for the Leadership Lufkin program and two scholarships—one for Leadership Lufkin, one for Leadership Tomorrow. 2015 brought more scholarships and the second year of the Friends of the Forest Festival program. Dueling Pianos event was also created and planned in 2015. The event was a huge success and a great way to kick off 2016, providing funds for our leadership programs. The Alumni Association has more projects and fun lined up for the 2016-2017 program year, including the second annual Dueling Pianos event. Scholarships continue and will always be a very important part of the Association's mission to raise new leaders
